6. **Voting Exclusion Statement:**

Resolution 1.

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes purported to be cast, on this resolution by, or on behalf of, a member of the Key Management Personnel, details of whose remuneration are included in the remuneration report, or a Closely Related Party of such a member (KMP voter), unless the KMP voter is casting a vote on this resolution on behalf of a person who is not a KMP voter (including as a proxy) and either:

- (a) the KMP voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the KMP voter is the Chair of the meeting and the appointment of the Chair as proxy:
 - a. does not specify the way the proxy is to vote on the resolution; and
 - b. expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Company or the consolidated entity.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on Resolution 1, the Chair will vote any proxies which do not indicate on their Proxy Form the way the Chair must vote, in favour of Resolution 1. In exceptional circumstances, the Chair may change his or her voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above), and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Resolution 2 & 3

There are no Voting exclusions on these resolutions.

Resolutions 4 to 6

The Company will disregard any votes cast in favour of the Resolutions by or on behalf of a person referred to in rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the employee incentive scheme in question.

However, this does not apply to a vote cast in favour of a resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

To the extent required by section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on Resolutions 4 to 6, if the person is either a member of the Company's Key Management Personnel (whose remuneration is disclosed in the Remuneration Report) or a Closely Related Party of such a member and the appointment does not specify the way the proxy is to vote on the Resolution. However, the proxy may vote if the proxy is the Chair and the appointment expressly authorises the Chairperson to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of Key Management Personnel. If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolutions 4 to 6 by signing and returning the Proxy Form (including via an online voting facility), you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

A vote on Resolutions 4 to 6 must not be cast as a proxy by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person described above may cast a vote on Resolutions 4 to 6 as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the person is the Chair of the meeting and the appointment of the chair as proxy:
 - a. does not specify the way the proxy is to vote on the Resolution; and
 - b. expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

Resolution 7

There are no Voting exclusions on this resolution.

Resolution 8

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

7. Special Resolutions

Resolutions 7 and 8 are proposed as special resolutions. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

8. Enquiries

Shareholders are invited to contact the Company Secretary, Suzanne Irwin on +61(3) 9692 7222 if they have any queries in respect of the matters set out in this Notice.

EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2022 Annual General Meeting (“**Meeting**”) will be held virtually via a webinar conferencing facility at 9.00am (AWST) on Thursday, 26 May 2022.

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ended 31 December 2021 (which incorporates the Company’s financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all Shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at +61 3 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company’s website www.larvottoresources.com or via the Company’s announcement platform on ASX under the ASX Code “LRV”. Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on, the 2021 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company’s 2021 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2021 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Directors Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

See Note 6 for voting exclusions on this resolution.

Resolution 2: Re-election of Ms. Anna Nahajski-Staples as a Director of the Company

Background

Section 14.2 of the Company's Constitution states that at the Company's annual general meeting every year, one-third of the directors shall retire from office, with the retiring Director being eligible for re-election.

Ms Anna **Nahajski-Staples** was appointed as a Director of the Company on 2 November 2020 and offers herself for re-election under section 14.2 of the Constitution.

Ms Anna **Nahajski-Staples** is an experienced investment banker with 28 years' experience (15 years in the mining sector) representing over half a billion dollars in transactions. She is currently Director of corporate advisory firm Paloma Investments and Managing Director of Nevada-focused gold explorer Moneghetti Minerals. In 2017 Anna was a founding Director of NZ-focused Siren Gold (ASX: SNG) and has specialised in financing junior explorers over the past decade.

Anna is a Fellow of Finsia, a graduate of the Governance Institute of Australia (2009) and the AICD (2007) and studied accounting at Harvard University (1993) before receiving a Bachelor of Business Administration from the University of Washington.

Directors Recommendation

The Board (with Ms Staples abstaining) recommends that shareholders vote in favour of the re-election of Ms Staples.

The Chairman of the meeting intends to vote undirected proxies in favour of Ms Staples' re-election.

Voting Exclusions

See Note 6 for voting exclusions on this resolution.

Resolution 3: Approval of Appointment of Auditor

Background

The Directors appointed Nexia Perth Audit Services Pty Ltd ("Nexia Perth") as the Company's auditor on 12 March 2021. The auditor holds office until the Company's Annual General Meeting, where the appointment is confirmed by the members. The Company now seeks Shareholder approval for the appointment of Nexia Perth as auditor of the Company and its controlled entities in accordance with section 327B of the Corporations Act.

Pursuant to section 328B of the Corporations Act, the Company has received written notice of nomination from a Shareholder of the Company for Nexia Perth to be appointed as the Company's auditor. A copy of the notice of nomination is attached to this Explanatory Statement as Annexure A. Nexia Perth has given, and not withdrawn its written consent to act as the Company's auditor (subject to Shareholder approval).

If Resolution 3 is passed, the appointment of Nexia Perth as the Company's auditor will take effect at the close of this Meeting.

Directors Recommendation

The Board recommends that shareholders vote in of this Resolution.

The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

See Note 6 for voting exclusions on this resolution.

Resolutions 4 to 6: Performance rights issue to Mr Mark Tomlinson (or his Nominee), Ms Anna Nahajski-Staples (or her Nominee) and Mr Ronald Heeks (or his Nominee)

Background

Resolutions 4 to 6 seek shareholder approval pursuant to ASX Listing Rule 10.14 for the issue of 3,150,000 performance rights (**Rights**), with each Right to convert to one fully paid ordinary share in the Company, under the Company's Performance Rights and Options Plan (the **Plan**).

The Directors consider the proposed award of Rights to be appropriate for the roles and in line with shareholder interests and are hereby put to shareholders for approval.

ASX Listing Rule 10.14 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in the ASX's opinion, such that approval should be obtained. Accordingly, Resolutions 4 to 6 seeks shareholder approval under ASX Listing Rule 10.14 to allow the issue of Performance Rights to Mr Mark Tomlinson (or his Nominee), Ms Anna Nahajski-Staples (or her Nominee) and Mr Ronald Heeks (or his Nominee) under the Company's Plan.

If shareholders approve Resolutions 4 to 6, the Company will proceed with the issue of Performance Rights to Mr Mark Tomlinson (or his Nominee), Ms Anna Nahajski-Staples (or her Nominee) and Mr Ronald Heeks (or his Nominee) on the terms and conditions as set out in this Notice.

Furthermore, Exception 14 in ASX Listing Rule 7.2 provides that ASX Listing Rule 7.1 does not apply where shareholder approval for an issue of securities is obtained under ASX Listing Rule 10.14. If shareholder approval is given for the purposes of ASX Listing Rule 10.14, no further approval will be required under ASX Listing Rule 7.1 for the proposed grant of Rights or the shares issued upon conversion of those rights by Mr Mark Tomlinson (or his Nominee), Ms Anna Nahajski-Staples (or her Nominee) and Mr Ronald Heeks (or his Nominee). The Rights or shares issued on conversion of the rights issued pursuant to Resolutions 4 to 6 will not deplete the Company's 15% Placement Capacity under ASX Listing Rule 7.1.

If shareholders do not approve Resolutions 4 to 6, the proposed issue of Performance Rights to Mr Mark Tomlinson (or his Nominee), Ms Anna Nahajski-Staples (or her Nominee) and Mr Ronald Heeks (or his Nominee) will not proceed, and the Board would need to consider alternative remuneration options.

To ensure Larvotto Resources can attract and retain the executive talent, the Board considers it is important for Larvotto Resources to offer incentives to its directors and executives that are in line with market practice and in alignment with the interests of shareholders,

ASX Listing Rule 10.15

ASX Listing Rule 10.15 contains requirements as to the contents of a notice sent to shareholders for the purposes of ASX Listing Rule 10.14. This required information is set out in **Schedule 1** of this Notice

Approval not sought under Chapter 2E of the Corporations Act.

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties of a public company. For the purposes of Chapter 2E, the Directors are related parties of the Company, by virtue of section 228(2) of the Corporations Act. A "financial benefit" is defined in the Corporations Act in broad terms and expressly includes a public company issuing securities.

Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless one of a number of exceptions applies or shareholder approval is obtained. Relevantly, one exception is where the benefit constitutes "reasonable remuneration" in respect of the duties and responsibilities of the related party in the management of the public company.

For the reasons detailed above and in Schedule 1, in the view of the Board, the issue of the Rights constitutes “reasonable remuneration” and, as the provision of such benefits is expressly permitted by section 211(1) of the Corporations Act, the Board does not consider the Company is required to seek shareholder approval under Chapter 2E of the Corporations Act in order to give Mr Mark Tomlinson, Ms Anna Nahajski-Staples and Mr Ronald Heeks, the financial benefit that is inherent in the issue to them of the Rights.

Directors Recommendation

Each of the Directors do not wish to make a recommendation to Shareholders about Resolutions 4 to 6, on the basis that these resolutions are connected with the remuneration of a director, and the Directors consider it appropriate to abstain from making recommendations about remuneration related resolutions.

The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

See Note 6 for voting exclusions on this resolution

Resolution 7: Amendment to Constitution

Background

ASX is replacing CHESS with a new system that will provide the clearing and settlement services offered by CHESS today and other new services. Rule changes associated with this will allow up to 4 joint holders of a security.

The Company's Constitution currently limits the number of registered joint holders of a share to 3 joint holders.

Proposed change

Currently, clause 9.8 of the Company's constitution states that:

“If more than three persons are registered as holders of Shares in the Company in the Register of Shareholders (or a request is made to register more than three persons), then only the first three persons will be regarded as holders of Shares in the Company and all other names will be disregarded by the Company for all purposes.”

The proposed amendment to clause 9.8 is as follows:

“The Company is entitled to and in respect of CHESS Holdings, must:

- (a) record the names of only the first 4 joint holders of a Share on the Register;*
- (b) regard the 4 joint holders of a Share appearing first on the Register as the registered holders of that Share to the exclusion of any other holders; and*
- (c) disregard the entitlement of any person to be registered on the Register as a holder if the name of the person would appear on the Register after the first 4 holders for that Share.”*

Resolution 7 is proposed as special resolutions. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

Directors Recommendation

The Board recommends that shareholders vote in of this Resolution.

The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 8: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market Capitalisation of \$300 million or less. The Company is an eligible entity.

Resolution 5 seeks Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 5 will be to allow the Company to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without any further Shareholder approval, in addition to the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 5, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without Shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

For the purposes of this section, the existing class of quoted securities to which the 10% Placement Facility will apply, is the Company's Fully Paid Ordinary Shares (ASX:LRV).

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12 month period immediately preceding the date of the issue or agreement):
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer above).

(e) Nature of consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;

- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) If Resolution 5 is approved by Shareholders, the period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 26 May 2022 and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 26 May 2023;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
 - (i) consideration for the acquisition(s) of new assets and investments, including the expenses associated with such acquisition(s);
 - (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration); and
 - (iii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 7 April 2022 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue

may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.137 50% decrease in Current Share Price	\$0.275 Current Share Price	\$0.55 100% increase in Current Share Price
Current Variable A 55,820,003 Shares	10% Voting Dilution	5,582,000 Shares		
	Funds raised	\$764,734	\$1,535,050	\$3,070,100
50% increase in current Variable A 83,730,004 Shares	10% Voting Dilution	8,373,000 Shares		
	Funds raised	\$1,147,101	\$2,302,575	\$4,605,150
100% increase in current Variable A 111,640,006 Shares	10% Voting Dilution	11,164,000 Shares		
	Funds raised	\$1,529,468	\$3,070,100	\$6,140,200

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options or Performance Rights are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.275 (2.75 cents), being the closing price of the Shares on ASX 7 April 2022.

- (e) The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;

- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company:
 - (i) has not issued, nor agreed to issue, any Equity Securities under Rule 7.1A.2 in the 12 month period preceding the date of the Meeting; and
 - (ii) had not agreed, before the 12 month period referred to in the preceding paragraph, to issue any Equity Securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Schedule 2 – Performance Rights and Option Plan

The Company has adopted a Performance Rights and Option Plan (**Plan**) to allow eligible participants to be granted Performance Rights and/or Options in the Company. The material terms of the Plan are summarised below:

(a) **Eligibility: Participants in the Plan may be:**

- (i) a Director (whether executive or non-executive) of the Company and any Associated Body Corporate of the Company (each, a Group Company);
- (ii) a full or part time employee of any Group Company;
- (iii) a casual employee or contractor of a Group Company to the extent permitted by ASIC Class Order 14/1000 as amended or replaced (Class Order); or
- (iv) a prospective participant, being a person to whom the offer is made but who can only accept the offer if an arrangement has been entered into that will result in the person becoming a participant under subparagraphs (i) , (ii) , or (iii) above,

who is declared by the Board to be eligible to receive grants of Options or Performance Rights (**Awards**) under the Plan (**Eligible Participant**).

(b) **Offer:** The Board may, from time to time, in its absolute discretion, make a written offer to any Eligible Participant to apply for Awards, upon the terms set out in the Plan and upon such additional terms and conditions as the Board determines.

(c) **Plan limit:** The Company must have reasonable grounds to believe, when making an offer, that the number of Shares to be received on exercise of Awards offered under an offer, when aggregated with the number of Shares issued or that may be issued as a result of offers made in reliance on the Class Order at any time during the previous 3 year period under an employee incentive scheme covered by the Class Order or an ASIC exempt arrangement of a similar kind to an employee incentive scheme, will not exceed 5% of the total number of Shares on issue at the date of the offer.

(d) **Issue price:** Performance Rights granted under the Plan will be issued for nil cash consideration. Unless the Options are quoted on the ASX, Options issued under the Plan will be issued for no more than nominal cash consideration.

(e) **Exercise price:** The Board may determine the Option exercise price (if any) for an Option offered under that offer in its absolute discretion. To the extent the Listing Rules specify or require a minimum price, the Option exercise price must not be less than any minimum price specified in the Listing Rules.

(f) **Vesting conditions:** An Award may be made subject to vesting conditions as determined by the Board in its discretion and as specified in the offer for the Awards (**Vesting Conditions**).

(g) **Vesting:** The Board may in its absolute discretion (except in respect of a change of control occurring where Vesting Conditions are deemed to be automatically waived) by written notice to a Participant (being an Eligible Participant to whom Awards have been granted under the Plan or their nominee where the Awards have been granted to the nominee of the Eligible Participant (**Relevant Person**)), resolve to waive any of the Vesting Conditions applying to Awards due to:

(i) special circumstances arising in relation to a Relevant Person in respect of those Awards, being:

(A) a Relevant Person ceasing to be an Eligible Participant due to:

- (I) death or total or permanent disability of a Relevant Person; or
- (II) retirement or redundancy of a Relevant Person;

(B) a Relevant Person suffering severe financial hardship;

(C) any other circumstance stated to constitute “special circumstances” in the terms of the relevant offer made to and accepted by the Participant; or

(D) any other circumstances determined by the Board at any time (whether before or after the offer) and notified to the relevant Participant which circumstances may relate to the Participant, a class of Participant, including the Participant or particular circumstances or class of circumstances applying to the Participant,

(**Special Circumstances**), or

(ii) a change of control occurring; or

(iii) the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up of the Company.

(h) **Cashless Exercise Facility:** In lieu of paying the aggregate Option exercise price to purchase Shares, an Eligible Participant may elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Options to the Company, a number of Shares determined in accordance with the following formula (**Cashless Exercise Facility**):

$$A = \frac{B(C - D)}{C}$$

where:

A = the number of Shares (rounded down to the nearest whole number) to be issued to the Optionholder;

B = the number of Shares otherwise issuable upon the exercise of the Options or portion of the Options being exercised;

C = the Market Value of one Share determined as of the date of delivery to the company secretary; and

D = the Option exercise price.

For the purposes of this Section, **Market Value** means, at any given date, the VWAP of Shares traded on the ASX over the five

(5) trading days immediately preceding that given date, unless otherwise specified in an offer.

(i) **Lapse of an Award:** An Award will lapse upon the earlier to occur of:

- (i) an unauthorised dealing, or hedging of, the Award occurring;
- (ii) a Vesting Condition in relation to the Award is not satisfied by its due date, or becomes incapable of satisfaction, as determined by the Board in its absolute discretion, unless the Board exercises its discretion to vest the Award in the circumstances set out in paragraph (g) or the Board resolves, in its absolute discretion, to allow the unvested Awards to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (iii) in respect of unvested Awards only, a Relevant Person ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Award in the circumstances set out in paragraph (g) or the Board resolves, in its absolute discretion, to allow the unvested Awards to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (iv) in respect of vested Awards only, a Relevant Person ceases to be an Eligible Participant and the Award granted in respect of that Relevant Person is not exercised within a one (1) month period (or such later date as the Board determines) of the date that person ceases to be an Eligible Participant;
- (v) the Board deems that an Award lapses due to fraud, dishonesty or other improper behaviour of the Eligible Participant;
- (vi) the Company undergoes a change of control or a winding up resolution or order is made and the Board does not exercise its discretion to vest the Award; and
- (vii) the expiry date of the Award.

(j) **Not transferrable:** Subject to the Listing Rules, Awards are only transferrable in Special Circumstances with the prior written consent of the Board (which may be withheld in its absolute discretion) or by force of law upon death, to the Participant's legal personal representative or upon bankruptcy to the participant's trustee in bankruptcy.

(k) **Shares:** Shares resulting from the exercise of the Awards shall, subject to any Sale Restrictions (refer paragraph (l)) from the date of issue, rank on equal terms with all other Shares on issue.

(l) **Sale restrictions:** The Board may, in its discretion, determine at any time up until exercise of Awards, that a restriction period will apply to some or all of the Shares issued to a Participant on exercise of those Awards (**Restriction Period**). In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such Restriction Period.

(m) **Quotation of Shares:** If Shares of the same class as those issued under the Plan are quoted on the ASX, the Company will, subject to the Listing Rules, apply to the ASX for those Shares to be quoted on ASX within 10 business days of the later of the date the Shares are issued and the date any Restriction Period applying to the Shares ends.

(n) **No participation rights:** There are no participation rights or entitlements inherent in the Awards and Participants will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Awards without exercising the Award.

(o) **Change in exercise price of number of underlying securities:** An Award does not confer the right to a change in exercise price or in the number of underlying Shares over which the Award can be exercised.

(p) **Reorganisation:** If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a Participant are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

(q) **Amendments:** Subject to express restrictions set out in the Plan and complying with the Corporations Act, Listing Rules and any other applicable law, the Board may, at any time, by resolution amend or add to all or any of the provisions of the Plan, or the terms or conditions of any Award granted under the Plan including giving any amendment retrospective effect.
