Traditional Bash event a hit with delegates

Delegates at this year's Diggers & Dealers Mining Forum packed into the sponsors' marquee to bring the second day of the forum to a close.

Tuesday's Kal Tire Mining Tire Group Traditional Bash gave forum attendees an opportunity to mix with other delegates and build networks — one of the main attractions of the annual forum.

Catering staff from Southern Cross Catering were on hand to serve a plate of hot food for delegates to enjoy alongside live entertainment before the final day of the forum.

Forum organisers William Morrow, Gavin Everett, and Scott Cusick.
