Dear Shane,

## **Larvotto Resources Limited (“LRV”) – Request for a trading halt**

LRV requests that a trading halt be applied to its listed securities under ASX Listing Rule 17.1 and sets out below details of the request required under the ASX Listing Rules.

### **Reasons for trading halt**

The trading halt is necessary as LRV expects to make an announcement to the ASX in connection with a proposed capital raising.

### **How long LRV wants the trading halt to last**

LRV would like the trading halt to remain in place until the earlier of the commencement of ASX trading on Friday 14 October 2022, or the release by LRV of a further announcement on topic.

### **The event LRV expects to happen that will end the trading halt**

LRV expects that the trading halt will be ended by it making a further announcement to the ASX in relation to the proposed capital raising.

### **Other information necessary to inform the market about the trading halt or that ASX has requested:**

There is no such information.

LRV confirms that it is not aware of any reason why the trading halt should not be granted.

Yours sincerely
