Dear Mr Falconer,

**Request for a trading halt – ASX: LRV**

We request that a trading halt be applied to all listed securities of Larvotto Resources Limited under ASX Listing Rule 17.1 and set out below details of the request required under the ASX Listing Rules.

The trading halt is necessary as LRV expects to make an announcement to the ASX in connection with a response to a ASX price query and a further portfolio update.

We would like the trading halt to remain in place until the earlier of the commencement of trading on Friday 28 April 2023, or the release of an announcement as indicated above.

There is no additional information to advise in relation to the requested trading halt, nor is there any additional information that ASX has requested.

We confirm that we are not aware of any reason why the trading halts should not be granted.

Yours sincerely

Matthew Edmondson  
**Company Secretary**
