Dear Mr Falconer,

REQUEST FOR VOLUNTARY SUSPENSION

Reasons for the voluntary suspension.

The voluntary suspension is necessary as LRV has not yet concluded matters referred to in the request for a trading halt dated 16 October 2023, as granted by ASX.

We expect the voluntary suspension, if granted, to remain in place until the earlier of commencement of ASX trading on Monday 23 October 2023 or release of an ASX announcement.

The event we expect to occur to end the voluntary suspension.

LRV expects that the voluntary suspension will end upon it making an ASX announcement detailing matters referred to in the request for a trading halt dated 16 October 2023.

Other information necessary to inform the market about the suspension or that ASX asks for,

There is no such information.

We confirm that we are not aware of any reason why the voluntary suspension should not be granted.
