## Exploration Manager Appointed

Larvotto Resources (**ASX: LRV**, **Germany: K6X**, 'Larvotto' or 'Company') is pleased to announce the appointment of Mr Paul Frawley as Exploration Manager, commencing immediately.

With over 25 years' experience in the mining and exploration industry in a wide variety of commodities including Gold, Copper, Iron, Vanadium, Lithium, REE and Base Metals across Australia and in West and Central Africa, the appointment of Mr Frawley will strengthen Larvotto's exploration team.

In addition to working with the site geology team from the proposed acquisition of the high-grade Hillgrove Gold-Antimony Project to increase the resource at Hillgrove and aid in the conversion to a Mineral Reserve Estimate, Paul will lead the exploration programs to continue the active exploration at the Mt Isa, Eyre and Ohakuri Projects.

Prior to joining Larvotto, Mr Frawley has worked for major resource companies including Newmont and WMC; in addition to consulting roles for RSG Global. He has also spent 10 years running exploration programs in Africa including the countries of Senegal, Namibia, Rep. of Congo, Sierra Leone and Liberia for various commodities. More recently, he has concentrated his time on projects in Western Australia and the Northern Territory, specifically evaluating IOCG systems and Lithium projects. Mr Frawley holds a Bachelor of Applied Science from La Trobe University and is a member of the Australian Institute of Geoscientists for JORC reporting (AIG).

### **Larvotto's Managing Director, Ron Heeks commented:**

*"With a clear focus to actively continue exploration on our current projects at Mt Isa, Eyre and New Zealand Paul will also assist the Hillgrove team to upgrade our resources at the newly acquired Hillgrove Gold-Antimony Project. We are delighted to have appointed Paul with his vast experience to lead our exploration team. We have significant exploration programs across our portfolio of gold, base metals and Critical Minerals Projects that we will continue to progress."*

The Board of Directors welcomes Paul to the team.

This announcement was authorised for release by the Board of Larvotto Resources Limited.

## About Larvotto Resources Ltd

Larvotto Resources Limited (ASX:LRV) is actively exploring its portfolio of projects including the large Mt Isa copper, gold, and cobalt project adjacent to Mt Isa townsite in Queensland, an exciting gold exploration project at Ohakuri in New Zealand's North Island and the Eyre multi-metals and lithium project located some 30km east of Norseman in Western Australia. Larvotto's board is a mix of experienced explorers and corporate financiers. Visit [www.larvottoresources.com](http://www.larvottoresources.com) for further information.
