Dear Shane

TRADING HALT REQUEST

Larvotto Resources Limited (Larvotto or Company) requests that a trading halt be applied to all listed securities of the Company.

The reason for the request is in order for the Company to be able to respond to a Prive Volume Query issued by the ASX and where the ASX Paused Trading in Larvotto securities.

We would like the trading halt to remain in place until the earlier of the commencement of trading on Friday 5 April, or the release of a response as indicated above.

There is no additional information to advise in relation to the requested trading halt, nor is there any additional information that ASX has requested.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours sincerely

Cecilia Tyndall
Company Secretary
