Your vote is important

Voting eligibility

The Company may specify a time, not more than 48 hours before the Meeting, at which a “snap-shot” of Shareholders will be taken for the purposes of determining Shareholder entitlements to vote at the Meeting.

The Company’s Directors have determined that all Shares of the Company that are on issue at 5.00pm (WST) on 14 May 2025 shall, for the purposes of determining voting entitlements at the Meeting, be taken to be held by the persons registered as holding the Shares at that time.

To vote in person, attend the Meeting at the time, date and place set out above. However, the Company strongly encourages all Shareholders to participate in the Meeting by reading the Notice carefully and voting by proxy in accordance with the instructions below.

Voting by proxy

Shareholders are strongly urged to appoint the Chair as their proxy. Shareholders can complete the Proxy Form to provide specific instructions on how a Shareholder’s vote is to be cast on each item of business, and the Chair must follow Shareholder’s instructions. Lodgement instructions (which include the ability to lodge proxies online) are set out in the Proxy Form attached to this Notice of Meeting. If a person other than the Chair is appointed as proxy, the proxy will revert to the Chair in the absence of

the appointed proxy holder's attendance at the Meeting. **Proxy Forms must be received prior to 10.00am (WST) on 14 May 2025.**

BUSINESS OF THE MEETING

The business to be considered at the Meeting is set out below.

1. FINANCIAL STATEMENTS AND REPORTS

To receive and consider the annual financial report of the Company for the financial year ended 31 December 2024 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

Note: there is no requirement for Shareholders to approve these reports.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding resolution**:

“That, for the purpose of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report as contained in the Company's annual financial report for the financial year ended 31 December 2024.”

Voting Prohibition: A vote must not be cast on this Resolution by any member of the Key Management Personnel of the Company whose remuneration is included in the Remuneration Report, or a Closely Related Party of such member. However, such a person may cast a vote on this Resolution if:

- (a) the person is appointed as proxy by writing that specifies how the proxy is to vote on the Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- (b) the person is the Chair voting an undirected proxy and their appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected with the remuneration of the Key Management Personnel of the Company.

If you are a member of the Key Management Personnel of the Company or a Closely Related Party of such person (or are acting on behalf of any such person) and purport to cast a vote (other than as a proxy as permitted in the manner set out above), that vote will be disregarded by the Company (as indicated above) and you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – RACHELLE DOMANSKY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purposes of Listing Rules 14.4 and 14.5 and article 14.4 of the Company's Constitution and for all other purposes, Rachelle Domansky, is elected as a Director.”

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

“That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities totalling up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2, for the purpose and on the terms and conditions set out in the Explanatory Statement accompanying this Notice of Meeting.”

Important note: The persons to whom any Equity Securities under the Additional 10% Placement Capacity may be issued to are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Capacity),

Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

5. RESOLUTION 4 – APPROVAL TO INCREASE NUMBER OF SECURITIES TO BE ISSUED UNDER THE PLAN

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purpose of Listing Rule 7.2 Exception 13(b), Shareholders approve the increase in the number of Equity Securities that may be issued under the Larvotto Resources Limited Long-Term Incentive Plan on the terms and conditions set out in the Explanatory Statement accompanying this Notice of Annual General Meeting.”

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair acting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and

Resolution	Excluded Persons
Resolution 5	Mark Tomlinson or his Associates.

Resolution 7	Rachelle Domansky or her Associates.

However, this does not prevent the casting of a vote on Resolutions 5 to 7 if it is cast by a person as a proxy in writing that specifies how the proxy is to vote on the proposed Resolution and it is not cast on behalf of a person referred to in the table above. Where the Chair is the related party the subject of the Resolution or is an Associate of the related party, the Chair cannot cast undirected proxies in respect of the Resolution.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting preceding this Explanatory Statement. Capitalised terms in this Explanatory Statement are defined in the glossary to this document.

If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice of Annual General Meeting, please contact the Company Secretary, your accountant, solicitor, stockbroker or other professional advisor before voting.

1. FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires the annual financial report, directors' report and the auditor's report (**Annual Financial Statements**) be received and considered at the Annual General Meeting.

Section 317 of the Corporations Act requires the directors to lay before the Annual General Meeting the Annual Financial Statements for the last financial year ended 31 December 2024.

The Company will not provide a hard copy of the Company's Annual Financial Statements to Shareholders unless specifically requested to do so. The Company's Annual Financial Statements are available on its website at www.larvottoresources.com.

There is no requirement for Shareholders to approve these reports and no vote will be taken on the Annual Financial Statements. However, Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Annual Financial Statements and the management of the Company.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Auditor about:

- (a) the preparation and content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the Annual Financial Statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 2 business days before the Meeting to the Company Secretary at cosec@larvottoresources.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT (NON-BINDING RESOLUTION)

2.1 General

Pursuant to section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the financial year ended 31 December 2024 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2024 Annual Report. The Annual Report is available on the Company's website at www.larvottoresources.com.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 31 December 2024.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Regulatory Requirements

The Corporations Act provides that this Resolution need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote.

In addition, sections 250U and 250V of the Corporations Act set out a "two strikes" re-election process, pursuant to which:

- (a) if, at a subsequent Annual General Meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding Annual General Meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another Annual General Meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors' Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company's Directors who were Directors at the time when the resolution to make the Directors' Report was passed (excluding the Managing Director of the Company who may, in accordance with the Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end of the Spill Meeting and may stand for re-election at the Spill Meeting.

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.3 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – RACHELLE DOMANSKY

3.1 Regulatory requirements

Article 14.4 of the Constitution and Listing Rule 14.4 provide that Shareholders may by resolution at a general meeting appoint an eligible person to be a Director, either as an addition or to fill a casual vacancy. Listing Rule 14.5 provides that there must be an election of directors at each annual general meeting.

The purpose of Resolution 2 is to seek Shareholder approval pursuant to Article 14.4 and Listing Rule 14.5 of the Constitution for the appointment of Rachelle Domansky as a Director.

Ms Domansky was appointed, subject to Shareholder approval, as a non-executive director on 25 September 2024.

3.2 Director information

Ms Domansky is an ESG specialist and consultant psychologist to business and government in the AsiaPacific region.

Rachelle is experienced in ESG, mining and sustainability law, media and marketing, human resources development and management, corporate culture, and education and training.

3.3 Board recommendation

The Board (other than Rachelle Domansky) recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

4.1 General

Listing Rule 7.1A provides that an eligible entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital over a 12-month period following the entity's annual general meeting (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

An eligible entity for the purposes of ASX Listing Rule 7.1A, is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less (**Eligible Entity**). As at the time of the Notice of Annual General Meeting, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$331.03 million based on the closing Share price on 11 April 2025.

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Capacity. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below. The Company is seeking a mandate to issue securities under the Additional 10% Placement Capacity to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

If Shareholders approve Resolution 3, the number of Equity Securities the Company may issue under the Additional 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out in section 4.2). The Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 Listing Rule 7.1A

Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Securities on issue, being the Shares (ASX Code: LRV).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** the number of fully paid ordinary securities on issue at the commencement of the relevant period,
- (i) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

- (ii) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4
- (iv) plus the number of any other fully paid ordinary securities issued in the relevant period within approval under Listing Rule 7.1 or Listing Rule 7.4
- (v) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- (vi) less the number of fully paid ordinary securities cancelled in the relevant period.

Note that Variable "A" is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by holders of its ordinary securities under Listing Rule 7.4.

"Relevant period" is the 12-month period immediately preceding the date of the issue.

4.3 Technical information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Date of Issue

If Shareholders approve Resolution 3, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking),

(Additional 10% Placement Capacity Period).

The Company will only issue Equity Securities under the Additional 10% Placement Capacity during the Additional 10% Placement Capacity Period.

(b) Minimum Price

The minimum price at which the Equity Securities may be issued under the Additional 10% Placement Capacity is no lower than 75% of the volume weighted average price of Equity

Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 4.3(b)(i), the date on which the Equity Securities are issued.

(c) **Purpose of Issue under Additional 10% Placement Capacity**

The Company may issue Equity Securities under the Additional 10% Placement Capacity for cash consideration for the following purposes:

- (i) consideration for the acquisition(s) of new assets and investments, including the expenses associated with such acquisition(s);
- (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration); and
- (iii) continued expenditure on the Company's current business and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities.

(d) **Risk of voting dilution**

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the Additional 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in Listing Rule 7.1A.2)	Dilution			
	Issue Price (per Share)	\$0.403 50% decrease in Issue Price	\$0.805 Issue Price	\$1.610 100% increase in Issue Price
411,229,133 (Current Variable A)	Shares issued - 10% voting dilution	41,122,913 Shares	41,122,913 Shares	41,122,913 Shares
	Funds raised	\$165,519,726	\$331,039,452	\$662,078,904
616,843,700 (50% increase in Variable A)	Shares issued - 10% voting dilution	61,684,370 Shares	61,684,370 Shares	61,684,370 Shares
	Funds raised	\$248,279,589	\$496,559,178	\$993,118,356
822,458,266 (100% increase in Variable A)	Shares issued - 10% voting dilution	82,245,827 Shares	82,245,827 Shares	82,245,827 Shares
	Funds raised	\$331,039,452	\$662,078,904	\$1,324,157,808

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) There are currently 411,229,133 Shares on issue as at the date of this Notice of Meeting.
- (ii) The issue price of \$0.805 per Share set out above is the closing price of the Shares on the ASX on 11 April 2025.
- (iii) The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
- (iv) No Options are exercised into Shares before the date of issue of the Equity Securities.
- (v) The Company has not issued any Equity Securities in the 12 months prior to the date of issue that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares.
- (vii) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation under the Additional 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the Additional 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the Additional 10% Placement Capacity, on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, a rights issue, a placement and a pro rata offer, a placement and an offer under securities purchase plan or other issues in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its last annual general meeting held on 31 May 2024.

The Company has issued two tranches of (both tranches ratified at a General Meeting on 20 January 2025) Equity Securities during the 12 months preceding the date of this Meeting under Listing Rule 7.1A.2, as follows:

(i) **Issue date**

- (A) 15 July 2024.
- (B) 12 December 2024.

(ii) **Number and type**

- (A) 25,081,165 Shares.
- (B) 4,777,462 Shares.

(iii) **Terms**

The Shares are fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and rank equally in all respects with the existing Shares.

(iv) **Recipients**

The Shares were issued to sophisticated and professional investors who were identified through a bookbuild process which involved the lead managers seeking expressions of interest to participate in a placement from non-related parties of the Company.

(v) **Issue price**

- (A) \$0.105 per Share.
- (B) \$0.52 per Share.

(vi) **Total cash consideration or current value of non-cash consideration**

- (A) \$2,633,522.

(B) \$2,484,280.

(vii) **Funds used and intended use for any funds**

The proceeds will primarily be used:

- (A) - Completion of Pre-Feasibility Study (Hillgrove Project);
- Commence RC drill program at Clarks Gully (Hillgrove Project)
- Commence Diamond drill program at Bakers Creek (Hillgrove Project); and
- Working capital and commence Mt Isa Project drilling
- (B) - Active, ongoing exploration program at Hillgrove – up to five drill rigs completing infill and expansionary drilling from underground and surface
- Building of an underground mine team to support the planned drilling while also preparing for mining
- Early site works at Hillgrove in preparation for mill expansion team once project finance is complete
- Securing long lead items for the Hillgrove Project and processing plant
- Recruitment and build out of operational readiness teams; and
- Progressing DFS studies and general working capital.

(g) **Compliance with Listing Rules 7.1A.4 and 3.10.3**

When the Company issues Equity Securities pursuant to the Additional 10% Placement Capacity, it will give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.3 for release to the market.

4.4 Voting Exclusion

There is no voting exclusion statement for this Resolution. At the date of this Notice of Meeting, the Company has not approached any particular existing security holder or an identifiable class of existing security holders to participate in the issue of the Equity Securities. Accordingly, the proposed persons to whom any Equity Securities may be issued to under the Additional 10% Placement Capacity are not as yet known or identified.

In these circumstances (and in accordance with guidance in ASX Guidance Note 21 relating to Listing Rule 7.1A), ASX considers a material benefit to be one that is likely to induce the recipient of the benefit to vote in favour of the transaction regardless on its impact on ordinary security holders. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Capacity), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholders' votes will therefore be excluded from voting on Resolution 3.

4.5 Board Recommendation

The Board believes that the Additional 10% Placement Capacity is beneficial for the Company as it will give the Company the flexibility to issue further securities representing up to 10% of the Company's share capital during the next 12 months. Accordingly, the Board unanimously recommend that Shareholders approve Resolution 3.

5. RESOLUTION 4 – APPROVAL TO INCREASE NUMBER OF SECURITIES TO BE ISSUED UNDER THE PLAN

5.1 Background

At the Company's annual general meeting on 31 May 2024, the Company obtained Shareholder approval to adopt the employee incentive plan titled the "*Larvotto Resources Limited Long-Term Incentive Plan*" (**Plan**), in accordance with the requirements of Listing Rule 7.2 Exception 13(b),

the notice of meeting for the annual general meeting stipulated that a maximum of 22,361,165 Equity Securities would be issued under the plan (**Current Maximum**).

Since the adoption of the Plan on 31 May 2024, the Company has issued a total of 10,909,950 Equity Securities thereunder all of which were issued using the Company's Listing Rule 7.2 Exception 13(b) capacity under the Plan.

The Company now seeks Shareholder approval to increase the maximum number of Equity Securities to 15% of the Company's shares on issue (**New Maximum**) and issue further securities under the Plan in accordance with the New Maximum.

5.2 Regulatory Requirements

Listing Rule 7.1 provides that, unless an exception applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves, or when aggregated with the Equity Securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 Exception 13(b) sets out an exception to Listing Rule 7.1. It provides that issues of securities under an employee incentive scheme are not included in a company's 15% limit under Listing Rule 7.1, if within three years before the date of issue, shareholders have approved the issue of securities thereunder as an exception to Listing Rule 7.1. As the Company has met the Current Maximum, it must obtain Shareholder approval to issue further securities under the Plan.

Accordingly, Resolution 4 seeks approval from Shareholders to increase the number of securities that can be issued under the Plan.

If Resolution 4 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants to the New Maximum without impacting on the Company's ability to issue to up 15% of its total ordinary securities without Shareholder approval in any 12-month period.

If Resolution 4 is not passed, the Directors may still increase the securities to be issued under the Plan and the Company will be able to proceed with the issue of Equity Securities to the proposed New Maximum. However the issue of Equity Securities under the Plan will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Incentive Securities. Accordingly, the Company will not be able to utilise the exception to Listing Rule 7.1 that is provided in Listing Rule 7.2 Exception 13(b).

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Incentive Securities under the Plan to a related party or a person whose relationship with the Company or the related party, is in ASX's opinion, such that Shareholder approval should be obtained.

5.3 Technical information required by Listing Rule 7.2 Exception 13(b)

The following information is provided to Shareholders for the purpose of Listing Rule 7.2 Exception 13(b):

(a) **A summary of the material terms of the Plan**

A summary of the material terms of the Plan is set out in Schedule 1.

(b) **Previous issues of securities**

The Company has issued 12,993,283 Equity Securities under the Plan since it was adopted on 31 May 2024 (this includes 6,250,000 Equity Securities to Directors and a further 6,743,283 Equity Securities issued to employees).

(c) **Maximum number of securities to be issued**

The maximum number of Incentive Securities proposed to be issued under the Plan following Shareholder approval is 61,684,370 – being 15% of the total Share volume on issue as at the date of this Notice of Annual General Meeting.

This number is not intended to be a prediction of the actual number of Equity Securities to be issued by the Company, simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b).

(d) **Voting exclusion statement**

A voting exclusion statement for Resolution 4 is included in Business of the Meeting section of the Notice of Meeting.

5.4 Board Recommendation

The Board declines to make a recommendation in respect of Resolution 4 due to the fact that the Directors have a personal interest in the outcome of the Resolution as Incentive Securities may be issued to the Directors under the Plan.

6. RESOLUTIONS 5 TO 7 – ISSUE OF PERFORMANCE RIGHTS TO DIRECTORS

Shareholders are being asked to approve Resolutions 5 to 7 (inclusive) to issue Performance Rights under the Plan to the Directors .

Subject to Shareholder approval, the Board has resolved to grant 8,250,000 Performance Rights (in aggregate) pursuant to the Plan to Mark Tomlinson, Ronald Heeks and Rachelle Domansky (**Performance Rights**), as follows:

Resolution	Director	Number of Performance Rights
Resolution 5	Mark Tomlinson, Non-Executive Chair	2,750,000
Resolution 6	Ronald Heeks, Managing Director	3,500,000
Resolution 7	Rachelle Domansky, Non-Executive Director	2,000,000

The key terms and conditions of the Plan are set out in Schedule 1.

6.1 Regulatory Requirements

Resolutions 5 to 7 seek Shareholder approval in order to comply with the requirements of Listing Rule 10.14 and section 195(4) of the Corporations Act.

Each of Resolutions 5 to 7 (inclusive) are dependent on Resolution 4 being passed.

Resolutions 5 to 7 (as applicable to each Director) are not conditional on the passing of Resolutions 8 to 10 (as applicable to each Director). However, as set out in section 7.1, Resolutions 8 to 10 (as applicable to each Director) are conditional on the passing of Resolutions 5 to 7 (as applicable to each Director).

6.2 Listing Rule 10.14

Listing Rule 10.14 provides that a company must not issue, under an employee incentive scheme, Equity Securities to:

- (a) a director of the Company;
- (b) an associate of a director of the Company;
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by the Shareholders,

unless the issue has been approved by holders of ordinary securities.

The Performance Rights to be issued to each of the Directors fall within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolutions 5 to 7 (inclusive) seek the required Shareholder approval to the issue of the Performance Rights under and for the purposes of Listing Rule 10.14.

If any of Resolutions 5 to 7 (inclusive) are passed, the Company will be able to proceed with the issue of the Performance Rights the subject of the respective Resolution which is passed.

If any of Resolutions 5 to 7 (inclusive) are not passed, the Company will not be able to proceed with the issue of the Performance Rights the subject of the respective Resolution which is not passed.

As Shareholder approval is being sought under Listing Rule 10.14, separate shareholder approval is not required under Listing Rule 7.1.

6.3 Technical information required by ASX Listing Rule 10.15

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

(a) **Nature of relationship between person to receive securities and the Company**

The Performance Rights will be issued to the following persons:

- (i) Mark Tomlinson (or his nominee) pursuant to Resolution 5;
- (ii) Ronald Heeks (or his nominee) pursuant to Resolution 6; and

All of whom fall within the category set out in Listing Rule 10.14.1, as each is a related party of the Company by virtue of being a Director.

(b) **Maximum number of securities that may be acquired pursuant to the Resolution**

The maximum number of Performance Rights to be issued to the Directors (or their respective nominees) is 8,250,000 comprising:

- (i) Mark Tomlinson to receive 2,750,000 Performance Rights;
- (ii) Ronald Heeks to receive 3,500,000 Performance Rights; and
- (iii) Rachelle Domansky to receive 2,000,000 Performance Rights.

(c) **Directors' current total remuneration package**

Notes:

1. Includes annual share-based compensation expense and superannuation for each of the Directors.

2. Value of the Director Performance Rights, which are subject to approval pursuant to Resolutions 5 to 7. The market-based condition was determined using the Trinomial Barrier 1 pricing model (refer to Schedule 3).
3. These Performance Rights do not include all Performance Rights on issue, but rather those issued in the year ended 31 December 2025.

(d) **Previous issues to the Directors under the Plan**

The Company has issued 6,250,000 Equity Securities to Directors under the Plan since it was adopted on 31 May 2024.

The Equity Securities were issued to:

Mark Tomlinson	2,500,000
Ron Heeks	3,000,000
Anna Nahajski-Staples	750,000

(e) **Material terms of Performance Rights**

A summary of the material terms and conditions of the Performance Rights is provided for in Schedule 2 to this Notice.

The Company has proposed to issue the Performance Rights to reward and incentivise the Directors to contribute to the growth of the Company and to secure and retain employees and directors who can assist the Company in achieving its objectives. The Company believes that the grant of the Performance Rights provides a cost-effective and efficient incentive as opposed to alternative forms of incentives (e.g. cash bonuses).

(f) **Issue date**

The Company will issue the Performance Rights under Resolutions 5 to 7 as soon as possible after the date of the Meeting and in any event within three years of the Meeting.

(g) **Issue price or other consideration**

The Performance Rights are to be issued for a nil issue price and accordingly no funds will be raised from the issue.

(h) **Value attributed**

Details of the value of the Performance Rights are set out at Schedule 3.

(i) **Summary of material terms of the Plan and Eligible Participants**

A summary of the material terms of the Plan is provided for in Schedule 1 to this Notice.

The Board may, in its absolute discretion, invite an “Eligible Person” to participate in the Plan. An “Eligible Person” means a person that is a “primary participant” (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an associated body corporate and has been determined by the Board to be eligible to participate in the Plan from time to time.

(j) **Loan**

No loans have or will be made by the Company in connection with the proposed issue of the Performance Rights.

(k) **Voting exclusion statement**

A voting exclusion statement for Resolutions 5 to 7 is included in the Notice of General Meeting preceding this Explanatory Statement.

Details of any securities issued under the Plan will be published in the Company’s annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Plan after this Resolution is approved and who are not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

6.4 Section 195(4) of the Corporations Act

Each of the Directors has a material personal interest in the outcome of Resolutions 5 to 7 (as applicable to each Director) in this Notice of Meeting by virtue of the fact that Resolutions 5 to 7 are concerned with the issue of Performance Rights to Directors.

Section 195(1) of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a material personal interest are being considered.

In the absence of Shareholder approval under section 195(4) of the Corporations Act, the Directors may not be able to form a quorum at Board meetings necessary to carry out the terms of these Resolutions.

The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put the issue to Shareholders to determine.

6.5 Section 208 of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of “financial benefits” to “related parties” by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A “related party” is widely defined under the Corporations Act and includes the directors of a company. As such, the Directors of the Company are related parties of the Company for the purposes of section 208 of the Corporations Act.

A “financial benefit” is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party.

One exception to the general rule is where the benefit constitutes “reasonable remuneration” in respect of the duties and responsibilities of the related party in the management of the public company.

The Board considers that the granting of the Director Performance Rights to the Directors constitutes reasonable remuneration, given both the Company’s circumstances and the responsibilities involved in the role of the Directors within the organisation.

On this basis, as the provision of such a benefit is expressly permitted by section 211(1) of the Corporations Act, the Directors do not consider the Company is required to seek shareholder approval for the purposes of Chapter 2E of the Corporations Act in order to give each Director the financial benefit that is inherent in the issue of the Performance Rights.

For the benefit of Shareholders, the Company has nonetheless provided the disclosure requirements in section 219 of the Corporations Act.

Identity of the parties to whom Resolutions 5 to 7 permit financial benefits to be given

The Performance Rights are proposed to be issued to Mark Tomlinson, Ronald Heeks and Rachelle Domansky, all of whom are Directors of the Company and are, as such, related parties of the Company.

(a) **Identity of the related party to whom this Resolution permits financial benefits to be given**

The Director Performance Rights are proposed to be issued to Directors, who are all related parties of the Company.

(b) **Nature of the financial benefits**

Resolutions 5 to 7 seek approval from Shareholders to allow the Company to issue to the Directors a total of 8,250,000 Performance Rights, the material terms of which are set out at Schedule 2.

The Shares to be issued upon the vesting and exercise of the Performance Rights will be fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

The issue of Performance Rights are a cost effective and efficient means for the Company to provide incentive to its personnel as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure and retain employees and directors who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The issue of the Performance Rights is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

(c) **Valuation of financial benefit**

The Company has conducted a valuation on the Performance Rights, the details of which are set out at Schedule 3.

(d) **Dilution**

If the Performance Rights vest and are exercised, the effect will be to dilute the holdings of Shares of other Shareholders. The issue of the Performance Rights in Resolutions 5 to 7 will in aggregate be equal to approximately 2.01% of the Company's diluted share capital and exercise of all the Performance Rights granted pursuant to Resolutions 5 to 7 (based on the number of Shares on issue as at the date of this Notice of General Meeting), resulting in a total of 411,229,113 Shares on issue.

(e) **Interests of Directors in the Company**

The direct and indirect interests of the Directors in securities of the Company as at the date of this Notice of Meeting are:

Name	Interests
Mark Tomlinson	6,660,536 Shares 1,666,667 Performance Rights

(f) **Remuneration of Directors**

Details of the proposed remuneration of each Director, including their related entities, for the year ended 31 December 2024, is set out in section 6.3(c) above.

(g) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$1.07 on 26 March 2025.

Lowest: \$0.070 on 26 April – 6 May 2024.

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.805 per Share on 11 April 2025.

(h) **Corporate Governance**

The Board acknowledges the grant of the Performance Rights to Mark Tomlinson, Ronald Heeks and Rachelle Domansky as Non-Executive Directors is contrary to Recommendation 8.2 of the 4th edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations.

The Board considers that the grant of Performance Rights is reasonable in the circumstances as the proposed issue will further align the interests of Mark Tomlinson, Ronald Heeks and Rachelle Domansky with those of the Shareholders and shall provide appropriate remuneration for these Directors' ongoing commitment and contribution to the Company whilst minimising the expenditure of the Company's cash resources.

(i) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Performance Rights (including fringe benefits tax).

6.6 Board Recommendation

The Board declines to make a recommendation to Shareholders with respect to Resolutions 5 to 7, due to the fact the Directors have a personal interest in the outcome of the Resolutions.

7. RESOLUTIONS 8 TO 10 – APPROVAL OF POTENTIAL TERMINATION BENEFITS TO DIRECTORS

7.1 Background

Resolutions 8 to 10 (inclusive) seek Shareholder approval to give potential termination benefits to the Directors in connection with the issue of Performance Rights, the subject of Resolutions 5 to 7 (inclusive).

Resolution 8 seeks Shareholder approval to give potential termination benefits to Mark Tomlinson in connection with the Performance Rights the subject of Resolution 8, being 2,750,000 Performance Rights. Resolution 8 is conditional upon the passing of Resolution 5. If Resolution 5 is passed by Shareholders, Resolution 8 will be put to Shareholders. If Resolution 5 is not passed by Shareholders, Resolution 8 will not be put to Shareholders.

Resolution 9 seeks Shareholder approval to give potential termination benefits to Ronald Heeks in connection with the Performance Rights the subject of Resolution 6, being 3,500,000 Performance Rights. Resolution 9 is conditional upon the passing of Resolution 6. If Resolution 6 is passed by Shareholders, Resolution 9 will be put to Shareholders. If Resolution 6 is not passed by Shareholders, Resolution 9 will not be put to Shareholders.

Resolution 10 seeks Shareholder approval to give potential termination benefits to Rachelle Domansky in connection with the Performance Rights the subject of Resolution 7, being 2,000,000 Performance Rights. Resolution 10 is conditional upon the passing of Resolution 7. If Resolution 7 is passed by Shareholders, Resolution 10 will be put to Shareholders. If Resolution 7 is not passed by Shareholders, Resolution 10 will not be put to Shareholders.

7.2 Termination Benefits - Sections 200B and 200E of the Corporations Act

The Corporations Act restricts the benefits that can be given to persons who hold a "managerial or executive office" (as defined in the Corporations Act) on leaving their employment with the Company or any of its related bodies corporate.

Under sections 200B and 200E of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a managerial or executive office if the benefit is approved by shareholders or an exemption applies.

The term “benefit” has a wide meaning and may include benefits resulting from the Board exercising certain discretions under the rules of the Plan, including the discretion to determine the automatic vesting of Performance Rights in certain circumstances following cessation of a participant’s employment with the Company. This includes circumstances where the participant is a “Good Leaver” or ceases employment following a change of control event. Accordingly, Shareholder approval is sought for Mark Tomlinson, Ronald Heeks and Rachelle Domansky to be given any such benefit in connection with their retirement from office or cessation of employment with the Company in relation to the Performance Rights the subject of Resolutions 5 to 7 (inclusive) (as applicable).

If Shareholder approval is given under Resolutions 8 to 10 (inclusive), the Company will still be required to comply with Listing Rules 10.18 and 10.19, which place restrictions on the circumstances in which termination benefits can be paid and a cap on the value of termination benefits that can be paid to officers of the Company.

The value of the benefit will depend on the number of Performance Rights that may vest pursuant to the Plan and the market value of the Shares at the time the automatic vesting event occurs.

(a) **Details of Termination Benefit**

Pursuant to the terms of the Plan, the Board possesses the discretion to determine that where a participant ceases employment with the Company and is a “Good Leaver”, any Performance Rights that had not vested prior to the participant ceasing employment with the Company will not lapse, as they would otherwise in accordance with the terms of the Plan. The exercise of this discretion may constitute a “benefit” for the purposes of section 200B of the Corporations Act.

In addition, subject to the exercise of the Board’s discretion, a participant may become entitled to automatic vesting of Performance Rights if there is a change of control event in respect of the Company and as a result the participant ceases their employment with the Company. The exercise of this discretion may also constitute a “benefit” for the purposes of section 200B of the Corporations Act.

The Company is therefore seeking Shareholder approval for the exercise of the Board’s discretion and for the provision of such automatic vesting rights in respect of any current or future participant in the Plan who:

- (i) ceases their employment with the Company and at the time of ceasing employment with the Company:
 - (A) is a Good Leaver; and
 - (B) holds a managerial or executive office in the Company (or any of its related bodies corporate) or held such an office at any time in the three years prior to their leaving; and
 - (C) holds unvested Performance Rights issued under the Plan; or
- (ii) ceases their employment with the Company by virtue of a change of control event and at the time of the change of control event:
 - (A) held a managerial or executive office in the Company (or any of its related bodies corporate); and
 - (B) held unvested Performance Rights issued under the Plan.

Provided Shareholder approval is given, the value of these benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the

approved benefit will not count towards the statutory cap under the legislation) to the relevant employee.

(b) **Value of the Termination Benefits**

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Performance Rights that vest.

The following additional factors may also affect the value of the benefit:

- (i) the participant's length of service and the portion of any vesting period remaining at the time they cease employment;
- (ii) the status of the performance hurdles/vesting conditions attaching to the Performance Rights at the time the participant's employment ceases; and
- (iii) the number of unvested Performance Rights that the participant holds at the time they cease employment.

However, Shareholders are provided with the following information as to the value of the termination benefits based on the current Share price should all of the Performance Rights the subject of Resolutions 5 to 7 (inclusive) be issued to Mark Tomlinson, Ronald Heeks and Rachelle Domansky (or their nominees) (as applicable), vest and are exercised:

Director	Number of Shares issued on exercise of Performance Rights	Percentage of the Company's diluted share capital	Value of Shares issued ¹
Mark Tomlinson	2,750,000	0.67%	\$2,213,750
Ronald Heeks	3,500,000	0.85%	\$2,817,500
Rachelle Domansky	2,000,000	0.49%	\$1,610,000
Total	8,250,000	2.01%	\$6,641,250

Note:

- 1. Based on \$0.805 being the closing market sale price of Shares on 11 April 2025

7.3 Termination Benefits – Listing Rule 10.19

Listing Rule 10.19 provides that without the approval of shareholders, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

The Company is seeking Shareholder approval for the purposes of Listing Rule 10.19 so that the Performance Rights, the subject of Resolutions 5 to 7 (inclusive), which are proposed to be issued to Mark Tomlinson, Ronald Heeks and Rachelle Domansky (or their nominees) (as applicable) for past performance shall not be forfeited by virtue of their resignation.

The value of the termination benefits payable to Mark Tomlinson, Ronald Heeks and Rachelle Domansky (or their nominees) under Resolutions 8 to 10 (inclusive) depend on the factors set out above in section 7.2 of the Explanatory Statement. It is possible that the provision of the benefits

associated with the vesting and exercise of the Performance Rights in the future may exceed 5% of the equity interests of the Company at the relevant time, although it is unlikely.

Each of Resolutions 8 to 10 is conditional upon the passing of Resolutions 5 to 7 (as applicable).

The effect of the outcome of Resolutions 8 to 10 is as follows:

Outcome	Effect
Resolutions 5 and 8 are passed (Mark Tomlinson)	The Company will be able to give termination benefits to the relevant Director, in connection with the Performance Rights the subject of Resolutions 5 to 7 (as applicable), which exceed the 5% threshold to the current Directors in accordance with the rules of the Plan in connection with any Director ceasing to hold their managerial or executive office.
Resolutions 6 and 9 are passed (Ronald Heeks)	
Resolutions 7 and 10 are passed (Rachelle Domansky)	
Resolution 8 is passed but Resolution 5 is not passed	Resolution 8 will have no effect.
Resolution 9 is passed but Resolution 6 is not passed	Resolution 9 will have no effect.
Resolution 10 is passed but Resolution 7 is not passed	Resolution 10 will have no effect.
Resolution 8 is not passed (regardless of the outcome of Resolution 5)	The Company will not be able to give termination benefits to the relevant Director in respect of the Performance Rights the subject of Resolutions 5 to 7 (as applicable) where those termination benefits exceed the 5% threshold.
Resolution 9 is not passed (regardless of the outcome of Resolution 6)	
Resolution 10 is not passed (regardless of the outcome of Resolution 7)	

7.4 Board Recommendation

The Board declines to make a recommendation in relation to Resolutions 8 to 10 (inclusive) due to the potential personal interests of Directors in the outcome of each Resolution.

8. RESOLUTION 11 – RATIFICATION OF PRIOR ISSUE OF SHARES TO XCLR COMMODITIES I LIMITED (OR ITS NOMINEE) UNDER LISTING RULE 7.1 – EQUITY SUBSCRIPTION DEED

8.1 Background

On 2 December 2024 the Company announced the signing of a binding offtake agreement with Wogen Resources Limited for the sale of antimony concentrate produced during the first seven years of mining at the Hillgrove Project (**Wogen Offtake Agreement**).

The Wogen Offtake Agreement is supported by a US\$4.0 million prepayment facility with XCLR (**Prepayment Facility**).

As announced, the Prepayment Facility will assist the Company to finalise the current Definitive Feasibility Study (**DFS**) and further expand the ongoing exploration program designed to show the full scale of Hillgrove's mineralisation.

As part consideration for the Prepayment Facility, the Company agreed to issue 992,864 Shares to XCLR (or its nominee) (**Subscription Shares**) under the Company's Listing Rule 7.1 placement capacity, being Shares to the value of US\$600,000 divided by the 15-day VWAP of the Shares prior to the date of settlement under the Prepayment Facility multiplied by 1.75.

The Subscription Shares were issued on 7 January 2025.

Resolution 11 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Subscription Shares that were issued in accordance with Equity Subscription Deed without Shareholder approval using the Company's capacity under Listing Rule 7.1.

8.2 Regulatory requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.1 provides that, a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The issue of the Subscription Shares does not fit within any of the exceptions and, as they have not yet been approved by Shareholders, they effectively use up part of the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Subscription Shares.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1. The Company confirms that in issuing the Subscription Shares, the Company did not breach Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, under Resolution 11, the Company seeks from Shareholders approval for, and ratification of, the issue of the Subscription Shares under Listing Rule 7.4.

If Resolution 11 is passed, the issue of the Subscription Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Subscription Shares.

If Resolution 11 is not passed, the issue of the Subscription Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Subscription Shares.

8.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 11:

(a) **The names of the persons to whom the securities were issued**

The Subscription Shares were issued to Wogen (as nominee for XLCR).

XCLR and Wogen are not material investors in the Company.¹

(b) **Number of securities and class of securities issued**

992,864 fully paid ordinary Shares.

(c) **Terms of the securities**

The Subscription Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

(d) **Date of issue**

The Subscription Shares were issued on 7 January 2025.

(e) **Issue price or other consideration**

No consideration was received for the Subscription Shares as they were issued as part consideration for the Prepayment Facility.

(f) **Purpose of the issue, including the intended use of funds raised**

The Subscription Shares were issued as part consideration for the Prepayment Facility.

The Prepayment Facility will be used to assist the Company to finalise the current DFS and further expand the ongoing exploration program designed to show the full scale of Hillgrove's mineralisation

(g) **Relevant agreement**

The Subscription Shares were issued pursuant to the Equity Subscription Deed.

A summary of the material terms of the Equity Subscription Deed is provided in Schedule 4.

(h) **Voting exclusion statement**

A voting exclusion statement has been provided for Resolution 11 in the Business of the Meeting section of this Notice of Meeting.

8.4 Board Recommendation

The Directors believe that the ratification of the issue of the Subscription Shares is beneficial for the Company as it allows the Company to retain the flexibility to issue further Equity Securities representing up to 15% of the Company's share capital under Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 11.

¹ ASX consider the following to be material investors:

- (i). a related party of the entity;
- (ii). a member of the entity's Key Management Personnel;
- (iii). a substantial holder in the entity;
- (iv). an adviser to the entity; or
- (v). an associate of any of the above,

9. RESOLUTION 12 – RATIFICATION OF PRIOR ISSUE OF SHARES UNDER LISTING RULE 7.1 – ECHIDNA GULLY ACCOMMODATION

9.1 Background

On 18 March 2025 the Company announced the acquisition of the Echidna Gully Accommodation (through its wholly owned subsidiary Hillgrove Mines), an established accommodation facility located near the Hillgrove Project.

As consideration for the acquisition of Echidna Gully, the Company agreed to pay a total purchase price of \$3,600,000, being:

- (a) pay to the Vendors \$3,000,000 cash; and
- (b) issue to the Vendors 771,309 Shares (**Vendor Shares**), under Listing Rule 7.1, to the value of \$600,000 (priced at \$0.7781 per Share – being the 10-day VWAP prior to completion of the acquisition).

The Vendor Shares were issued on 28 March 2025.

Resolution 12 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Vendor Shares that were issued pursuant to the acquisition agreement (**Echidna Gully Acquisition Agreement**) without Shareholder approval using the Company's capacity under Listing Rule 7.1.

9.2 Regulatory requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.1 provides that, a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The issue of the Vendor Shares does not fit within any of the exceptions and, as they have not yet been approved by Shareholders, they effectively use up part of the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Vendor Shares.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1. The Company confirms that in issuing the Vendor Shares, the Company did not breach Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, under Resolution 12, the Company seeks from Shareholders approval for, and ratification of, the issue of the Vendor Shares under Listing Rule 7.4.

If Resolution 12 is passed, the issue of the Vendor Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Vendor Shares.

If Resolution 12 is not passed, the issue of the Vendor Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Vendor Shares.

9.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 12:

(a) **The names of the persons to whom the securities were issued**

The Vendor Shares were issued to the two Vendors in equal proportion.

The Vendors are not material investors in the Company.²

(b) **Number of securities and class of securities issued**

771,309 fully paid ordinary Shares.

(c) **Terms of the securities**

The Vendor Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

(d) **Date of issue**

The Vendor Shares were issued on 28 March 2025.

(e) **Issue price or other consideration**

The Vendor Shares were issued at \$0.7781 per Share (being the 10-day VWAP prior to completion of the acquisition).

(f) **Purpose of the issue, including the intended use of funds raised**

The Vendor Shares formed part of the consideration for the Echidna Gully acquisition.

(g) **Relevant agreement**

The Vendor Shares were issued pursuant to the Echidna Gully Acquisition Agreement.

A summary of the material terms of the Echidna Gully Acquisition Agreement is provided in Schedule 5.

(h) **Voting exclusion statement**

A voting exclusion statement has been provided for Resolution 12 in the Business of the Meeting section of this Notice of Meeting.

9.4 Board Recommendation

The Directors believe that the ratification of the issue of the Vendor Shares is beneficial for the Company as it allows the Company to retain the flexibility to issue further Equity Securities representing up to 15% of the Company's share capital under Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. Accordingly, the Board recommends Shareholders vote in favour of Resolution 12.

SCHEDULE 1 – SUMMARY OF MATERIAL TERMS OF THE PLAN

The Directors are proposing to adopt the Plan, to enable eligible persons to be granted Options, Performance Rights and Shares (**Awards**), the principal terms of which are summarised below:

1. Eligibility

The Board may, in its absolute discretion, invite an “Eligible Person” to participate in the Plan. An “Eligible Person” means a person that is a “primary participant” (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an associated body corporate and has been determined by the Board to be eligible to participate in the Plan from time to time.

2. Offer

Following determination that an Eligible Person may participate in the Plan; the Board may make an offer to that person by an offer letter setting out the terms of the offer and any Conditions which may apply to the offer or the Awards (**Offer Letter**).

3. Issue Cap

Unless the Company is unlisted or the Company constitution provides otherwise, the Company must not make an offer of Awards for monetary consideration under the Plan, where the total number of Shares to be issued under the Plan (**Plan Shares**) (or that will be issued upon conversion of convertible securities to be issued), when aggregated with the number of Plan Shares that may be issued as a result of offers made under the Plan, at any time during the previous 3 year period, would exceed 5% of the total number of Shares on issue at the date of the offer.

The Plan does not contain an issue cap on the number of Awards that may be issued for no monetary consideration.

This does not include the issue of Awards that are otherwise approved by Shareholders.

4. Disclosure

All offers of Awards under the Plan for no monetary consideration are made pursuant to Division 1A of Part 7.12 of the Corporations Act and accordingly the Company will not issue a disclosure document for such an offer.

If the Company makes an offer to issue Awards under the Plan for monetary consideration, the Company will comply with the disclosure requirements in Division 1A of Part 7.12 of the Corporations Act.

5. Nature of Awards

Each Option or Performance Right entitles the holder, to subscribe for, or be transferred, one Share. Any Shares acquired as an Award or pursuant to the exercise of an Award will rank equally with all existing Shares from the date of acquisition.

6. Vesting

Awards may be subject to exercise conditions, performance hurdles or vesting conditions (**Conditions**). These Conditions must be specified in the Offer Letter to Eligible Persons. In the event that a takeover bid for the Company is declared unconditional, there is a change of control in the Company, or if a merger by way of a scheme of arrangement has been approved by a court, then the Board may determine that:

- (i) all or a percentage of unvested Options will vest and become exercisable;
- (ii) all or a percentage of Performance Rights will be automatically exercised; and

- (iii) any Shares issued or transferred to a holder under the Plan that have restrictions (on their disposal, the granting of any security interests in or over, or otherwise on dealing with), will be free from any restrictions on disposal.

7. Exercise Period

The period during which a vested Award may be exercised will commence when all Conditions have been satisfied, waived by the Board, or are deemed to have been satisfied under the rules of the Plan and the Company has issued a vesting notification to the holder, and ends on the Expiry Date (as defined at 10(iv) below).

8. Disposal restrictions

Awards granted under the Plan may not be assigned, transferred, novated, encumbered with a security interest (such as a mortgage, charge, pledge, lien, encumbrance or other third party interest of any nature) over them, or otherwise disposed of by a holder, other than to a nominated party (such as an immediate family member, trustee of a trust or company) in accordance with the Plan, unless:

- (i) the prior consent of the Board is obtained; or
- (ii) such assignment or transfer occurs by force of law upon the death of a holder to the holder's legal personal representative.

9. Cashless exercise

Optionholders may, at their election, elect to pay the exercise price for an Option by setting off the exercise price against the number of Shares which they are entitled to receive upon exercise of the Option (**Cashless Exercise Facility**). By using the Cashless Exercise Facility, the Optionholder will receive Shares to the value of the surplus after the exercise price has been set off.

If an Optionholder elects to use the Cashless Exercise Facility, the Optionholder will only be issued that number of Shares (rounded down to the nearest whole number) as are equal to the value of the difference between the exercise price otherwise payable for the Options and the then market value of the Shares at the time of exercise (determined as the volume weighted average price on the ASX over the five trading days prior to providing a notice of exercise).

10. Lapse

Unvested Awards will generally lapse on the earlier of:

- (i) the cessation of employment, engagement or office of the holder;
